KEDEL
BRITISH RECYCLED PLASTIC PRODUCTS

“Educational, Colourful and Fun”

Kedel's 'Kitchenphonics' range of cooker, sink, fridge and washer, is manufactured from brightly coloured recycled plastic. Phonics words are etched into the sides of each unit turning them all into fun, outdoor classroom teaching aids.

10 Advantages of Recycled Plastic

- 1) No maintenance required- Never rots
- 2) Non-absorbant - hygienic, easy to clean
- 3) Lasts at least 5 times longer than wood
- 4) No splinters for little fingers
- 5) Can remain outdoors all year round
- 6) Water and frost proof
- 7) Crack, warp and chip free
- 8) UV stable - does not fade
- 9) Resistant to algae and most common chemicals
- 10) British sourced recycled plastic, means less transport, lower carbon footprint

“The tables are great, we're very impressed and the fact that they're made from recycled plastic means they are complementary to our school's 'eco' ethos.”

Loretta Couper, Business Manager, Shavington High School

Recycled Plastic Fact

If each of the 35,000 educational institutions in the UK acquired just one of our standard Recycled Plastic Picnic Tables, that would save '160 million' 4 pint plastic milk bottle cartons from ending up in landfill.
